## Free Webinar Series in Four Parts

This sustainability network is designed to support educators in enhancing their restorative practice skill set and strengthening their school's system to sustain restorative practices. Activities will include exploring current resources and publications within the county and from the International Institute for Restorative Practices (IIRP), networking with colleagues, and planning for restorative practices integration within our CAMTSS framework.

Individuals with disabilities in need of auxiliary aides and services may request assistance by contacting [pbartlett@ocde.us](mailto:pbartlett@ocde.us). OCDE may take photographs of participants at the event. Photographs may be used to document the event, promote events in written materials, posted on the OCDE website or supplemental webpages, or on the digital frame in the entry to OCDE offices.

Audience: Training is intended for educators who have completed the two-day basic restorative practices training.

LCAP Bucket: Student Engagement

LCAP Priority: School Climate

MTSS Domain: Inclusive Academic, Behavior, and Social-Emotional Learning
