OT PT Assessment Focus Academy 2021-2022
Utilize Student Strengths to Tailor Interventions

Data Driven Decision Making (DDDM) in School-Based Practice
Dr. Roseann Schaaf, PhD., OTR/L, FAOTA, Director of the Jefferson Autism Center of Excellence

18 PDU $75
Location: Asynchronous + Synchronous Zoom Platform

September	Asynchronous	3 PDU	Overview of DDDM (Open Until 10/15/21)
October 20	8:00 - 3:00	6 PDU	**Identification of Participation Challenges** **Conducting an Assessment, Generating Hypotheses**
January 19	8:00 - 3:00	6 PDU	**Identify Outcomes and Outcome Measures**
March 9	12:00 – 3:00	3 PDU	**Create Data Driven Intervention Plans**

Sponsored by the Orange County Department of Education
Thomas Jefferson University
Continuing education units (CEUs) are approved by Thomas Jefferson University.
Participants will receive a Certificate upon completion of all learning modules.

Registration open until 9/30/21   Online Registration Only: http://ocde.k12oms.org/1233-203660
Pay by Credit Card via PayPal, Purchase Order or mail payment to OCDE:
Sandy Mc Shea 200 Kalmus Drive, C1043, Costa Mesa, CA 92626

Login code and reading resource material will be emailed when your registration payment is complete.

Learning Objectives - Practice OT and PT in an evidence-based, data-driven manner.
1. Understand and apply the DDDM process to school-based practice.
2. Identify educationally relevant participation-based goals.
3. Utilize assessment data including strengths-based data to generate hypotheses about factors impacting participation.
4. Understand proximal and distal outcomes and how to measure these.
5. Create systematic, data-driven interventions in school-based practice.
6. Utilize data collection to measure outcomes

Who Should Attend?
School-based occupational therapists (OT) and physical therapists (PT), OT and PT assistants, school psychologists and Program Directors interested in Data Driven Decision Making (DDDM). Concepts can be applied in Special Education.
